EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee. Note that with respect to the canceled claims 19-26, these claims would have been subject to a restriction requirement as being drawn to a separate invention, and therefore an agreement was reached to cancel claims 19-26 to place this case in condition for allowance. Acknowledgment is made of the applicant's right to file divisional application(s) with regard to the subject matter of the canceled claims.

Authorization for this examiner's amendment was given in a telephone interview with Joseph Maenner on 05/17/2004.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 19-26 are nonelected without traverse. Accordingly, claims 19-26 have been canceled.

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or suggest at the combination of least one tear seam extending between the proximal end of the sheath and the distal end of the sheath and wherein the threaded portion of the hub and the mating threaded portion of the sheath hub provide a releasably locking engagement between the dilator and sheath.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
